JACK STAND

AJ-JS

HSN CODE : 84254200

- * Sturdy and rigid design, made with best quality material, with floor base which makes it more stable and dependable.
- * High compressive strength to withstand the rated load.
- * Locking lever provided to lock the height of the lift arm at desired level.
- * Powder coated finish gives rich look and prevents rust on the surface.
- * Always use jack stand in pair.
- * Bigger saddle area is provided for greater stability.
- * Stand can be raised or lowered to the height needed self-locking ratchet for ease of use.
